- 20:00 – 21:00 **Guided visit to the School of Architecture**

June 2, 2015 (Tuesday)

08:00 – 17:00 **Industrial visit: Applied Projects in Renewable Energy**

Spin-Off from the University of Granada

- Viability study for a Hydroelectric Power station in Granada
- Industrial solar pumping irrigation

Note: We will meet at 08h at the main entrance of the Engineering School to go to the industrial zone where the industrial visit is located.

June 3, 2015 (Wednesday)

10:30 – 15:00 **Industrial visit: Advantages of solar energy and how it can be used**

**University of Granada is a member of the
Consortium *Parque de las Ciencias***

- The museum currently has three solar roofs. One of this is the most extensive photovoltaic system integrated into a building in Andalusia.
- Through these guided visit the *Parque de las Ciencias* aims not only to show how save energy in public infrastructure, but also to promote awareness of the use of renewable energies amongst the general public and help change the way people think so that they help to protect our planet.

June 4-5 (Thursday/Friday)

10:30 – 17:00 **Campus visit, personal meetings at University of Granada**

Practical info: meeting point on June 1, 2015 (Monday).

We will meet at 15,45h at the main entrance of the “*Escuela Tecnica Superior de Arquitectura*” or (point in red  in the map below), located in Plaza Campo del Príncipe, 1, 18009 Granada
